

## Please update your bookmarks for InCites, JCR, & ESI

Dear Customer,

The new URLs to access the *InCites* platform are now live.

- To access *Journal Citation Reports*, please bookmark <https://jcr.clarivate.com>
- To access *Essential Science Indicators*, please bookmark <https://esi.clarivate.com>
- To access *InCites Benchmarking & Analytics*, please bookmark <https://incites.clarivate.com> and <https://help.incites.clarivate.com>

All users are recommended to update their bookmarks to reflect the new URLs to avoid an interruption in service. The existing URLs will continue to remain available until **March 15**.

If you have any questions, please feel free to reach out to our technical support group by [clicking here](#). Best regards,

InCites Product Team
